## Chapter 1 by Artheimr

Me and Geis (nio4yuri) have been friends since we were little.

Geis was always a tough kid, whenever someone bully me, she would never hesitate to punch and break them.

And I always end up stopping her from doing it.

She is a little violent sometimes, only if I was hurt or someone makes me sad.

Her family are rich, her father was never around only her mother.

Her mother was a pretty nice lady.

One day her parents got into a huge fight and they ended up divorcing.

Leaving Geis into her fathers care, since hes father was very rich.

She hated her father, she despise him and she don't know where her mother is.

And so they were going to move from another country and she didn't really like idea of it.

And I was practically crying my eyes out and saying " Dont go Geis, please stay" again and again, " Yeah i wish i could" is what she said.

Suddenly Geis pulled me into her arms and kissed me, i was shocked but i didn't say a thing i only kiss her back. I never knew that she was a good kisser for her age.

And then she said " Hey Heimy! Lets make a promise, when I come back I'm going to be with you forever and I'm going I marry you" I said " I promise"
